Description

The 2022 VX Cruiser HO (High Output) is Yamaha's number one selling personal watercraft globally, combining big horsepower performance with cutting edge technologies and features, in an extremely versatile and affordable package.

This craft comes with the industry's largest displacement and most reliable 1.8 Litre High Output marine engine for unbelievable power and speed, theatre style bolstered seat for ultimate riding comfort for up to three people, 2 pull-up cleats for easy tie ups to docks and other craft.

Above the water line the VX deck delivers improved rider ergonomics and comfort with deep and wide, self-draining footwells and a seat profile that is 4 centimetres narrower than its predecessor.

The dashboard comes with a 4.3" Connex LCD display with customisable speed and PIN security controls, a multi-mount system for attaching your favourite digital accessories, a user-friendly and water resistant storage space for packing all your gear, food and essentials, and a feature packed glove box with charging ports and LED lighting.

If you are looking for a extreme power and heaps of features in a mid-sized personal watercraft package, then the VX Cruiser HO is the WaveRunner for you.
